

Current Procedural Terminology (CPT) codes Hearing Diagnostics & Vestibular

2009 National Average

DIAGNOSTIC AUDIOMETRY

92551	Screening test, pure tone, air only - \$0.00 <i>no reimbursement</i>
92552	Pure tone audiometry (threshold); air only - \$16.00 <i>national average reimbursement per test</i>
92553	Pure tone audiometry (threshold); air and bone - \$27.00 <i>national average reimbursement per test</i>
92555	Speech audiometry threshold - \$16.00 <i>national average reimbursement per test</i>
92556	Speech audiometry threshold; with speech recognition - \$24.00 <i>national average reimbursement per test</i>
92557	Comprehensive audiometry threshold evaluation and speech recognition (925563 and 92556 combined) - \$50.00 <i>national average reimbursement per test</i>
92559	Audiometric testing of groups
92562	loudness balance test, alternate binaural or monaural - \$17.00 <i>national average reimbursement per test</i>
92563	Tone decay test - \$16.00 <i>national average reimbursement per test</i>
92564	Short increment sensitivity index (S151) - \$20.00 <i>national average reimbursement per test</i>
92565	Stenger test, pure tone - \$17.00 <i>national average reimbursement per test</i>
92572	Staggered spondaic word test - \$4.00 <i>national average reimbursement per test</i>
92576	Synthetic sentence identification test - \$18.00 <i>national average reimbursement per test</i>
92577	Stenger test, speech - \$30.00 <i>national average reimbursement per test</i>
92579	Visual reinforcement audiometry (VRA) - \$30.00 <i>national average reimbursement per test</i>
92582	Conditioning play audiometry - \$30.00 <i>national average reimbursement per test</i>
92583	Select picture audiometry - \$36.00 <i>national average reimbursement per test</i>
92592	Hearing aid check - monaural - \$17.00 <i>national average reimbursement per test</i>
92593	Hearing aid check - binaural - \$25.00 <i>national average reimbursement per test</i>
92620	Evaluation of central auditory function, with report, initial 60 minutes \$44.00 <i>national average reimbursement per test</i>
92625	Assessment of tinnitus (includes pitch, loudness matching, and masking) \$45.00 <i>national average reimbursement per test</i>

MIDDLE-EAR ANALYSIS (TYMPANOMETRY)

92567	Tympanometry (impedance testing) - \$22.00 <i>national average reimbursement per test</i>
92568	Acoustic reflex testing - \$12.00 <i>national average reimbursement per test</i>
92569	Acoustic reflex decay test - \$17.00 <i>national average reimbursement per test</i>

OAE

92587	Evoked otoacoustic emissions; limited (single stimulus level, either transient and/or distortion product) \$62.00 <i>national average reimbursement per test</i>
92588	Evoked otoacoustic emissions, comprehensive or diagnostic evaluation (comparison of transient and/or distortion product otoacoustic emissions at multiple levels and frequencies) \$81.00 <i>national average reimbursement per test</i>

INFANT HEARING SCREENING

92587	Evoked otoacoustic emissions; limited (single stimulus level, either transient and/or distortion product) \$62.00 <i>national average reimbursement per test</i>
92588	Evoked otoacoustic emissions, comprehensive or diagnostic evaluation (comparison of transient and/or distortion product otoacoustic emissions at multiple levels and frequencies) - \$81.00 <i>national average reimbursement per test</i>
92585-52	ABR screening. Auditory evoked potentials for evoked response audiometry and/or testing of the central nervous system - \$100.00 <i>national average reimbursement per test</i>
